

Michigan Made Label Use Ingredient Form

To ensure your product meets our agriculture guidelines*, please fill out the spreadsheet with the list of the product's ingredients and outline the percentage of each ingredient used in the product. Along with your list, please confirm the ingredients are sourced or grown on a Michigan farm. If sourced outside of Michigan, please tell where the product is being sourced from. **Please keep in mind, if you buy an ingredient or product from a Michigan company, it is not considered sourced in Michigan, unless it originates from a Michigan farm or animal.**

* Fresh Products must be 100% sourced in Michigan

* Processed Products must be 75% sourced in Michigan
